

## Significant People in History

# Florence Nightingale

### What key facts and dates will we be learning?

Florence Nightingale was born on the 12th May 1820.

Her family were wealthy and she had a very good education.

In 1851 her father let her train to be a nurse at a German hospital.

In 1854 Britain joins the Crimean War.

Sidney Herbert, a friend of Florence asked her to take a group of nurses to Turkey to see what they could do for the soldiers.

Florence and her nurses travelled to the army hospital in Scutari, Turkey. They were shocked by the dirty and crowded hospital.

At first the doctors did not want Florence to help. As more and more patients arrived Florence and her nurses were allowed to help.

The nurses cared for patients as well as clean the hospital.

When Florence came home she continued to work to make hospitals better for patients.

In 1860 Florence opened the Nightingale Training School for Nurses in London.

Florence Nightingale is an important person in history as she helped to plan modern hospitals. Most of all, it is thanks to Florence Nightingale that nurses are now properly trained to care for us all.
